What do Zangemann's inventions look like?
Can you draw them?

zangemann.com

Give Ada's skateboard some nice colors!

Which computers did you see this week that could possibly be from Zangemann? Draw them here.

What do the signs say?

Help Ada with her inventions and fill her with color.

Which inventions could Ada and you come up with together?
Draw them here.

Can you help to draw some crazy ice cream into the cone?

Let's celebrate!

## About us

The Free Software Foundation Europe is a charity that empowers users to control technology. Software is deeply involved in all aspects of our lives, and it is important that this technology empowers rather than restricts us. Free Software gives everybody the rights to use, understand, adapt, and share software. These rights help support other fundamental freedoms like freedom of speech, press, and privacy.
